FETE Music's Alive

13 | FETE 2024
SEPTEMBER

Our annual Fete is a vibrant and eagerly anticipated event brought together by the Sevenhill Parish and the St Joseph's School community of parents, friends, staff and students.

Showcasing local talent, creativity, generosity and community spirit we invite everyone to get involved in a magical day that our students love and look forward to every year.

On September 13, the Fete will once again be on the beautiful grounds of St Joseph's School, in and around the new hall.

With our dedicated Fete committee already deep in preparations and our class teachers integrating student contributions into their curriculum, we now turn to our wider parent community to help make a memorable 2024 Fete for our children.

If you can volunteer your time on Fete day and be part of the excitement please let the front office know.

We are looking for someone to run the coffee stall as well as the Art Competition and to join the Bric a Brac team, so please let us know if you are interested in joining any of these stalls.

Training and support will be provided.

Additionally, a sign-up genius will also be available closer to the event.

Please browse the ideas below for possible contributions. There are lots of ways our students can help and prepare during the holidays.

See you there!!!

COFFEE STALL

Fete committee is looking for a Stall Holder for the Coffee Stall. This stall was previously run by the amazing Anita Fogden and the handover notes are very detailed with exactly what needs to be ordered and what needs to be done. This will provide the new stall holder with a smooth transition. This is a popular stall so please let us know if you can help!!

GIFTS AND HOMESWARES

The most beautiful hand made blankets have been donated to Fete and will be available at our stall this year. Grab one before they are all gone!

HAIR & FACE PAINTING

We are looking for some adults to help out with some basic face painting, braids, etc. Steph will be running some training sessions prior to Fete so no experience necessary. Super fun stall that the kids love. Training will start soon, so contact Steph today!!

EXCITING NEWS

NEW STALL SECOND HAND CLOTHING!!

This year, Amanda Redden wants to run a clothing stall!
This stall will stock clothing for 4 to 16 year old girls and boys. Clothing is to be in good condition, without holes and stains and will be sold at 2 price points, \$5 and \$2
~A max of 5 quality items per family to be donated~
No underwear, socks or bathers please
This will be a great opportunity to reuse and recycle while also grabbing a bargain!

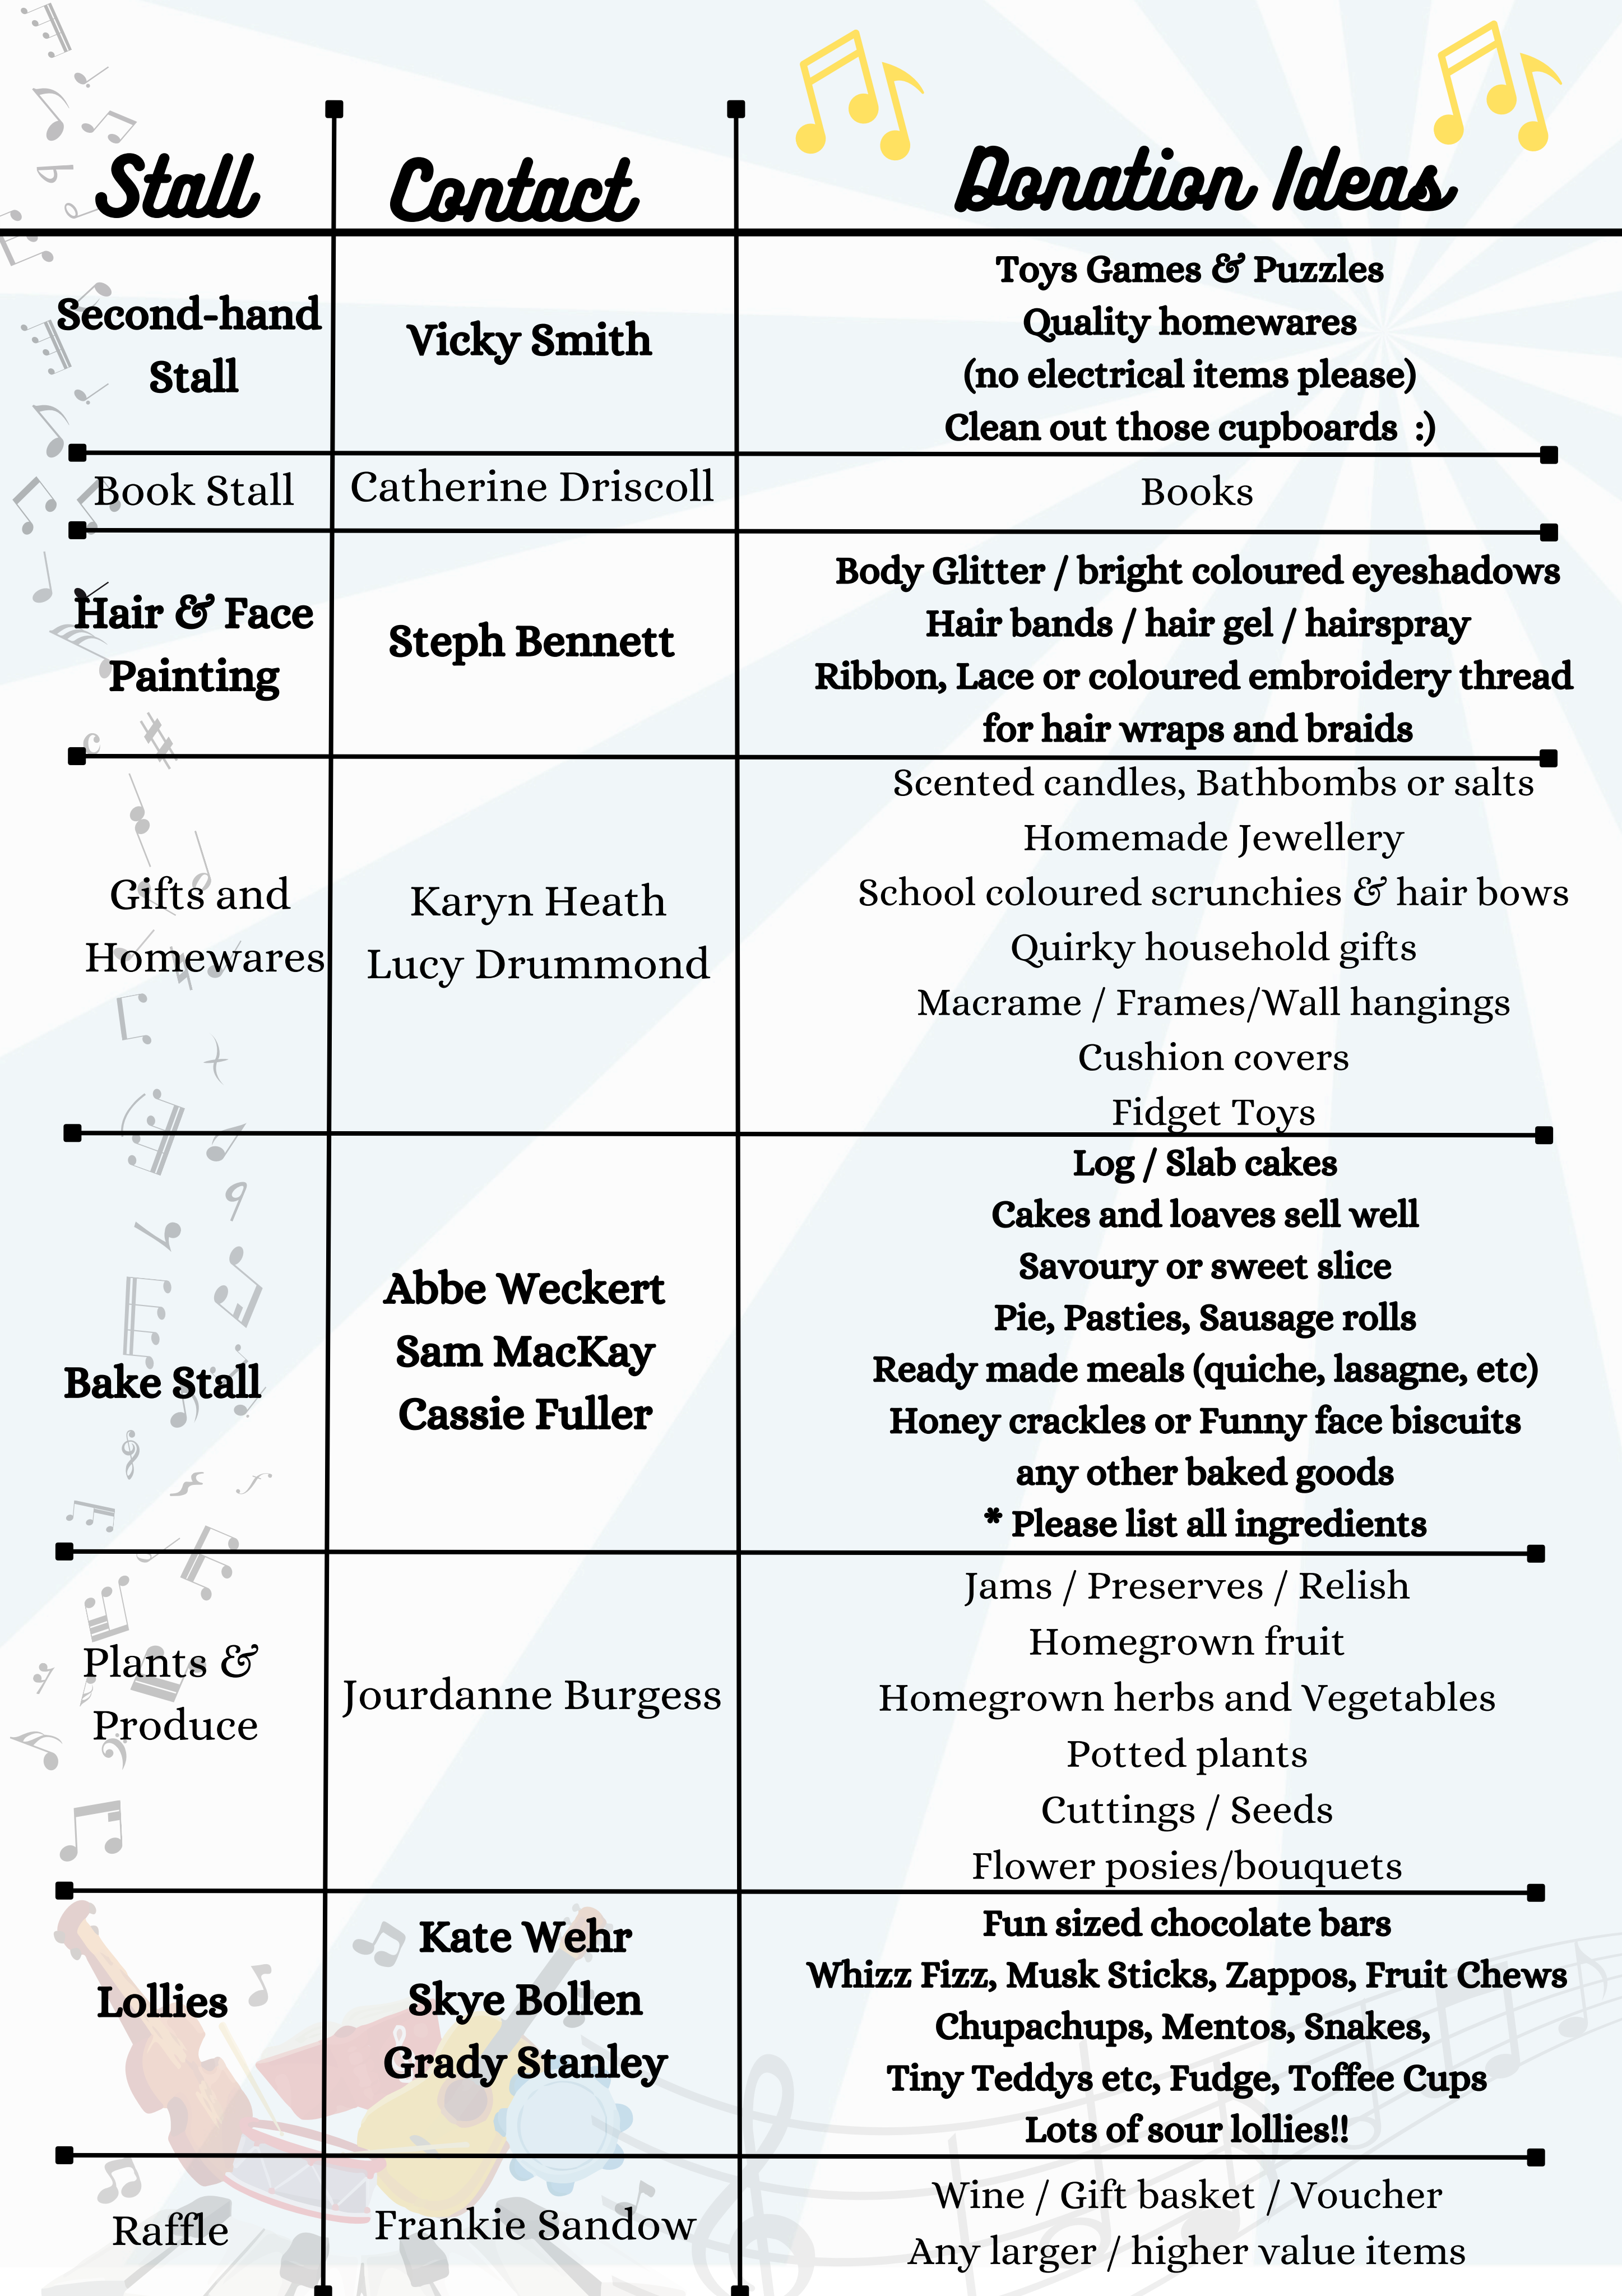

BRIC A BRAC

Is this holidays the perfect time for a WINTER CLEAN OUT?! Go through those cupboards and any goodies you find that you no longer want could be someone else's treasure.

Second Hand Stall is looking for donations now!

Vicky is also looking for some parents to join her with this stall. Requirements would be simple... set up Thurs night and assist to man the stall Friday. This is a huge stall for Vicky to handle alone and some generous assistance would be much appreciated.
