

SCHOOL SPORT CALENDAR 2025

Dear Parents,

For 2025 we have currently entered into the sporting events listed below. These events are a great opportunity for us as parents and teachers to work with students in a different setting. We also know that there are a lot of passionate and qualified people in our community, as such, we are seeking volunteers to accompany or play a role. These roles may include coaching, team managing, scoring, and transporting students for our various sporting events across the year. The dates listed may change slightly however will be communicated closer to the events. *You will require a Working with Children Check.*

We would also like to gauge interest through student nomination in the sport. This allows us with organisation in the lead up to the events. We have the flexibility and potential to nominate in other sporting events, depending on abilities, student interest and other scheduled calendar commitments.

Please return by **Friday 7th February** with the events you think you may be able to assist within the column below stating what role you would potentially be happy to take on.

Please note that you are more than welcome to show your interest in the event once it arrives even if not originally stated

If you require any further information regarding the events, please don't hesitate to contact me icarling@stjoclar.catholic.edu.au

OR

Visit the School Sport Website.
