2025 FETE

Join us for a fun filled day celebrating creativity, community, and connection, brought together by the Sevenhill Parish and the St Joseph's School community. This wonderful event is a highlight of the year for our students so please put Friday 5 September (Week 7, Term 3) in your diary. Also this year, for the first time we are also holding a Garage Sale, the day after - Saturday 6 September.

Here is some initial information to help you get donations prepared during the school holidays. This year, we have allocated classes to stalls as a suggestion; if you would prefer to donate something to another stall instead that would also be greatly appreciated. Another option is a monetary donation instead, allowing the stall holder to purchase on your behalf. If you have time in the holidays to clean out the cupboards, we are also looking for donations of good quality second-hand clothes, toys, games, books, homewares etc. More information over the page. There will also be a sign-up genius closer to the date.
